Dogs don't like to pee or poop where they sleep, so giving your dog a smaller space can help teach her to hold her pee. When you are just starting out, use a crate for your puppy. Be sure to take her to the potty pad as soon as you let her out, but whenever you're not watching her, she should be in the crate.

1.) I just introduced my dog Dolly to the pee pad and she keeps wanting to lay on the pad. I've been reluctant to let her because I don't want her to start viewing it as a bed and then not wanting to pee on it. At the same time I want her to be comfortable around the pad and not feel like I don't want her to be on it.
